

## **Short Bio Paolo Martini**

Paolo graduated from SDA Bocconi School of Management with a Master of Business Administration.

He is currently CEO of the BE Power S.p.A. Group, Italy's largest independent operator in the Electric Mobility and Demand Response sector which, through its subsidiaries, Be Charge and 4Energia, is creating one of Italy's biggest proprietary infrastructures for electric mobility and is offering electricity network flexibility services by aggregating distributed energy resources.

His professional career spans more than 20 years, during which he has created and developed various international initiatives.

Before his role as Chief Executive Officer of the Be Power group and its subsidiary Be Charge, he gained extensive strategic experience in the energy and investment banking sectors with multinationals including Building Energy S.p.A., Chiyoda Corporation (Mitsubishi), Siemens, Angelantoni Industrie S.p.A.
